VISION AND MISSION
OF OUR COMPANY

THE ESSENCE *of our* COMPANY

At **MESON**global , our vision is to become a globally respected leader in sports manufacturing by setting new benchmarks in quality, customization, and ethical production. We aim to be the preferred partner for brands, distributors, and institutions across the world by consistently delivering innovative, performance-driven sports balls and accessories—crafted in India, made for the world.

About us

MESONS Global is a third-generation family-owned manufacturing business based in Jalandhar, Punjab. We have been manufacturing and exporting balls since 1976, with over 50 years of experience in the industry.

Today, we serve global clients across Europe and now the USA, delivering high-quality inflatable sports balls and accessories made with consistency and scale.
