Our Mission

At **MESONglobal**, our mission is to manufacture world class sports balls under the brand MESON that inspire passion, performance and play across the globe.

We are committed to combining Indian craftsmanship with modern technology to deliver durable, high-quality, and ethically made product that meet international standards.

VISION AND MISSION
OF OUR COMPANY

At **MESONglobal**, our vision is to become a global leader in sports manufacturing by setting new benchmarks for quality, customization, and ethical production. We aim to be the preferred partner for brands, distributors, and retail institutions across the world by consistently delivering high quality, performance driven sports balls and accessories all manufactured at our in house facility.

About us

MESONS Global is a third generation family-owned manufacturing business based in Jalandhar, Punjab. We have been manufacturing and exporting balls since 1976, with over 50 years of experience in the industry.

Today, we serve global clients across Europe and now the USA, delivering high-quality inflatable sports balls and accessories made with consistency and scale.
